## WRITTEN OPINION OF THE INTERNATIONAL SEARCHING AUTHORITY

International application No.

PCT/JP2004/018073

| ROX | No. I      | Basis of the opinion   |
|-----|------------|--|
| 1.  | With rega  | ard to the language, this opinion has been established on the basis of the international application in the language in  |
| A - | _          | was filed, unless otherwise indicated under this item.   |
|     |            | s opinion has been established on the basis of a translation from the original language into the following language  |
|     | L          | , which is the language of a translation furnished for the purposes of international search (under   |
|     | Rul        | les 12.3 and 23.1(b)).   |
|     |            |  |
|     |            |  |
| 2.  | With rega  | ard to any nucleotide and/or amino acid sequence disclosed in the international application and necessary to the   |
|     | =          | vention, this opinion has been established on the basis of:  |
|     | a. type of | material   |
|     | a. type or |  |
|     | Ш          | a sequence listing   |
|     |            | table(s) related to the sequence listing   |
|     |            |  |
|     | b. format  | of material  |
|     |            | in written format  |
|     |            | in computer readable form  |
|     |            |  |
|     |            |  |
|     | c. time of | filing/furnishing  |
|     |            | contained in the international application as filed.   |
|     |            | filed together with the international application in computer readable form.   |
|     |            | furnished subsequently to this Authority for the purposes of search.   |
|     |            | ·  |
| 3.  |            | addition, in the case that more than one version or copy of a sequence listing and/or table relating thereto has been  |
|     |            | d or furnished, the required statements that the information in the subsequent or additional copies is identical to that he application as filed or does not go beyond the application as filed, as appropriate, were furnished. |
|     | 111 -      | e application as they of does not go beyond the application as thed, as appropriate, were furnished.   |
